

WBF NONPROFIT EXCELLENCE LOGIC MODEL

Along with investments by other community partners, the Welborn Baptist Foundation will help build a strong nonprofit sector

OUR ASSETS:

Expert level education and training
Technical assistance
Networking and collaboration opportunities
Assessment tools and data

OUR PRIORITY:

STRENGTHENING LEADERSHIP

Capacity building for exceptional strength in nonprofit leadership

EXPECTED OUTCOMES: SHORT-TERM

Current and upcoming leadership (staff and board)
will be equipped with effective leadership skills and competencies

EXPECTED OUTCOMES: MID-TERM

Nonprofit leadership (staff and board)
will practice more effective leadership skills and competencies

ANTICIPATED COMMUNITY CHANGE:

Directed by highly effective leadership, more nonprofits will achieve sustainability, impact, and mission fulfillment

ASSETS = Available tools and resources

OUTCOMES = Desired changes that will lead to community change

PRIORITY = The way the assets are invested to create change

COMMUNITY CHANGE = Improvement that would benefit all
